

T.G., Inc - Tregan Guitars Artist Endorsement Program

One of T.G., Inc. and Tregan Guitars truest beliefs is in supporting the music community and the growth of music education. Non-profit donations are just a small way of giving back to our community.

The TGI Artist Endorsement Program is another way of giving back to those who create music and inspire others to join the art and beauty of music.

TGI is proud to have many artists already enjoying Tregan Guitars. However, due to the size of the company, TGI rarely offers product for free and we cannot pay for endorsements or sponsorships. However, we will offer, to those artists that meet certain criteria, TGI products at great discounts in exchange for mutual promotion.

Mutual promotion between the Artist and TGI: TGI will put forth its best effort to promote artists through various avenues such as: marketing materials, TGI websites, and various other promotional items. TGI asks the artist to promote TGI through use of product in performances both live, video and recorded; through photo opportunities and in websites and recording material liners such as “*Artist* uses Tregan Guitars”. TGI also appreciates receiving photos and videos of the artist using and or holding/displaying TGI products for use; any websites belonging to Artist/band, Press kits and list of tour dates.

To qualify for the TGI Endorsement Program* Artists must:

Play several live shows each month

Have a CD for sale with original material; or are currently recording with an independent or national label.

Have been featured in local or national press

Have a website (MySpace account qualifies) with original songs available
